

## Monthly Updates & Important Information

Annual cleaning for Berkeley Square will be the week of May 18. **(Berkeley Square)**

As we are wrapping up the installation of the new security system receivers, we want to follow up with a bit of information. (Again, this is only Landmark, Historic, Patriot, Wheelright, and Independence.) We ask that you call Julie or Rica if you are terminating your landline or any other phone number that we have for you and give us the correct current phone number you are using. If you want to keep your landline, then you don't need to do anything and everything will continue as usual. Please call Julie or Rica with any questions.

Your generosity continues to enhance not only our shared spaces, but also the sense of community that makes these places so special. From thoughtfully maintained outdoor areas and inviting gathering spaces to the everyday details that create comfort and connection, your gifts are visible in so many ways. Just as importantly, many of your contributions honor the incredible work and dedication of our employees—those who bring compassion, skill, and heart to our community each day. As you get out and about this season, we hope you'll take a moment to look around and see the generosity that is woven into the campus—in the spaces we enjoy, the connections we share, and the people who make it all possible. Thank you for being such an important part of Berkeley Square and Westover, and for helping our community continue to grow and thrive.
