Part of my career was in nonprofit fundraising. Combining those skills with my promotion of the Walking Club at Berkeley Square and the fun things I've participated in at 5k races has turned the Memory Walk into what it is today.

When my father-in-law was diagnosed with dementia, I certainly learned the challenges of caregiving and the importance. I participated in the Butler/Warren County Alzheimer's Walk in 2022 & 2023. I realized very few Berkeley Square residents and/or staff participated. That particular event is held in West Chester and does not allow for short distances making it hard for folks who face mobility challenges.

When friend and neighbor, Jim Donovan, suggested I do a walk on our own campus, I said OK! I then mentioned the idea at Resident Council meeting in 2024. Ken Wehr suggested we keep the proceeds for our Memory Care unit at Berkeley Square. From day one, everyone has been supportive and generous in this very important work.

See ya next year,
Barb Terry

I'm not sure I will ever have the right words to express what this year's Alzheimer's Walk meant to me. Watching our Berkeley residents come together for something that is so deeply personal to me left me overwhelmed with gratitude. You walked, donated, gave your time, and showed just how extraordinary this community truly is. But more than the money raised, it was the love behind it that I will remember most.

Memory care has my whole heart, and knowing that so many of you choose to stand beside us and support the residents and families we serve means more than I can say.

Thank you for believing in what we do, for caring so deeply, and for reminding me once again why Berkeley is such a special place. I will carry this day—and your kindness—with me for a very long time.

With all my heart, thank you.
Megan
